

## Food Stall Health & Safety

The Northern Wairoa Agricultural and Pastoral Association (**Arapohue Show**) is committed to the protection of people from accident injury. To assist us in minimizing trade site hazards, please identify from the list below all the items that will be a part of your trade exhibit. You will be required to eliminate, isolate or minimize any aspect within the area of your trade site that could potentially be a hazard. We greatly appreciate your assistance in this.
